Village Raises Sewer, Water Rates

Antioch's village trustees Monday night voted 6-0 to raise sewer and water rates.

It is the first increase since 1962.

There will be a minimum charge of \$6 every three months for the use of water (up to 6,000 gallons) and a minimum charge of \$12 every three months for sewer service.

A combined charge of \$1 will be made for each additional 1,000 gallons.

For the past 13 years village residents have paid minimum charges of \$3 every three months for sewer and \$4 every three months for water.

Trustee William H. Seemann has been working with the firm of Warren Associates, municipal finance consultants from Deerfield, to establish the new rates.

After Harold Warren of Deerfield explained the proposed increases Monday night, Seemann moved that they be adopted. There was no opposition.

A separate charge is being made for water service and a separate charge for sewer service because the Environmental Protection Agency requires evidence that Antioch is recovering the costs of oper-

ating and maintaining its sewer system.

Warren said that \$246,700 a year is required to operate and maintain the village's sewer and water systems. The present rates are producing revenue far short of that figure. "The present revenue is less than \$160,000," Warren said.

The amended ordinance calls for the minimum user of 6,000

gallons of water paying \$18 every three months instead of the \$7 he is presently paying.

The user of 10,000 gallons will pay \$22 instead of the present \$11.25 and the user of 20,000 gallons will pay \$32 instead of the present \$19.75.

For larger users of sewer and water the increases average about 65 percent.

Seemann said the village will

be re-evaluating sewer rates every year to be sure the village is actually recovering the cost of operation.

"If the cost of operation is less, you could lower the sewer charges," Warren said.

In buildings where there is multiple use of sewer and water, the minimum charge may be \$15 instead of \$18 every three months.

100 Houses For Elderly Proposed

Plans to build 100 houses in Antioch for senior citizens were discussed at Monday night's village board meeting.

The proposal was made by Jack Hilton, president of Hilton Associates of Glencoe, who said it would be a subsidized housing program for persons 65 years of age and over.

The senior citizens would have to have incomes of \$7,500 a year or less.

"I understand there are 300 persons in this area who are below the poverty level and in need of housing," Hilton said.

HILTON SAID his project would not be affiliated with Lake County but would be strictly an Antioch undertaking. He said the local firm of Laursen and Blackman would be the contractors. Don Blackman accompanied Mr. Hilton to the meeting.

Hilton said he was coming to the village board because "we need people to work with us."

Mayor Robert C. Wilton said he couldn't speak for the village trustees but that he realizes the need for such housing and probably would be in favor of it.

Wilton said he would appoint the village public relations

committee to work with Hilton. That committee will be appointed at the board meeting next Monday.

HILTON SAID he has permission from the Farmer's Home Administration in Belvidere to build the 100 units in Antioch. That firm would provide the funding, he indicated.

The proposed housing "would be lovely, lovely places, with carpeting, stoves and refrigerators," Hilton said. "It wouldn't be an institution, but lovely individual homes for senior citizens."

Finding a site would be one of the projects.

"If it's too far out, we'll provide mini-bus service to the downtown area," Hilton said.

He said the 100 units would be perhaps \$2 million or \$2.5 million project. A recreational building would be included.

"It's still in the planning stages, but I wanted to come to the village and ask for cooperation, so we could work together," Hilton said. "We're just trying to build something for nice people."

THE THREE trustees who won four-year terms in the recent village election were sworn in Monday night. They are incumbents Arnold Weber and J. I. (Irv) Walsh, and their running mate in the campaign, Diane (Willie) Kasik.

Mrs. Kasik replaces Margaret A. Nelson who chose not to run for re-election.

"OKLAHOMA!" -- Antioch High School's spring musical opens for a three-night run Thursday, Friday and Saturday at the school's auditorium. Members of the cast were out in costume last weekend selling tickets. Front row from left: Mark Meyer and Wanda Springer, who plays the featured role of Aunt Eller. Back row from left: Linda Dyer, Kathy Moran, Julie Gutowski and Debbie Moran. Curtain time is 8 o'clock on each of the three nights and tickets will be available at the door if a sell-out doesn't occur.

Monday, May 26, Is School Holiday

The Antioch High School board of education last Thursday voted to add Monday, May 26 as a school holiday to coincide with the national observance of Memorial Day.

Friday, May 30, remains the legal holiday in Illinois.

The closing day of school will be Thursday, June 5, contingent upon no additional emergency days used before then.

The board passed a resolution to abate the tax levy for bond and interest payments in the sum of \$86,743 which is the amount of debt service grant to be received from the capital development board.

The Senior graduation list, currently numbering 319 subject to each student meeting all requirements, was approved.

A tuition free summer school will be offered to students who live in the district.

The board accepted a gift from the senior class in the amount of \$700 to be used toward the purchase and installation of two water coolers in the foyer between the gyms. Marla Kessler, senior class president, was present at the meeting.

The board also appointed Larson & Lumber as school

attorneys and Kenneth C. Wierschem as school treasurer for the fiscal year beginning July 1, 1975, and ending June 30, 1976.

Bicycle Rodeo Here Saturday

Antioch cyclists of all ages have been invited to participate in a Bicycle Rodeo Saturday at the Grade School parking lot on Depot St.

Hours are from 1 to 3 p.m.

Sue Sedivec of the Antioch police department said three young men, Lonnie Lubkeman, Don Gall and Bill Rentner, are assisting her in the project and helping to set up the obstacle course.

At 3 p.m., when the rodeo is completed, Barry Eisfeldt, manager of the Jewel Food Store, will give away 50 bicycle flags to participants.

All riders will have a chance to register their bikes for protection in the case of theft. Also, they will get free safety checks, receive bicycle manuals and ride through the obstacle course.

Last Call For Cotillion

The Antioch Mental Health's 10th annual Cotillion will be held Saturday in the Martinique Room of the Abbey in Fontana, Wis.

There are still a few tickets available. Persons can call Irene Hahn at 395-0096 for ticket reservations.

Parking for the Cotillion is on the east side of the Abbey.

Fontana is located on the west shore of Lake Geneva, just north of the Illinois-Wisconsin line.

Rotarians Honor Secretaries

TWO OF THE SECRETARIES invited to last Thursday's Rotary Club luncheon (it was National Secretaries Week) met Jerome M. Stachniw of Highland Park, the guest speaker. They were Carolyn Blanchette (left) and Florence Babusek, both of the State Bank of Antioch. Mr. Stachniw grew up in the Soviet Union and gave an interesting talk comparing life in his native country to life in the United States.

ANTIOCH ROTARIANS took their "Gals Friday" to lunch last Thursday at the Brave Bull, during National Secretaries Week. From left: Phil Adesko and his wife, Beverly, of Adesko Electric & Plumbing Co., and Carolyn Van Patten and Richard J. Koenig of the First National Bank of Antioch.

Drug Abuse Program Here Monday

A program on alcohol and drug abuse will be presented next Monday, 7:30 p.m., at the Antioch High School auditorium.

The sponsors, members of the Lake Region Chapter on Alcohol and Drug Abuse, have invited parents of children in the 6th through 12th grades.

Guest speakers will be Lawrence G. Thompson, director of the Diversion Investigative Unit, and Special Agent Wilson Pierce of the Illinois Bureau of Investigation.

An advertisement about the program appears on page 20 of this issue.

A SPOKESMAN for the Lake Region Chapter said his group began meeting last September.

"A number of concerned parents, local officials and professional people wanted to determine the extent of the alcohol and drug abuse problem in our community."

Although he said that Antioch's situation appears no worse than the problem in other communities "it soon became clear that alcohol and drug use by young people was definitely a problem that needed the attention of parents and responsible leadership in our community."

"The Lake Region Chapter plans to work closely with the Lake County Alcohol and Drug Abuse Councils. Its purpose is to inform and educate parents and interested adults as well as help those with special needs find the appropriate help and counseling for their particular individual problems," he said.

The Chapter meets on the fourth Monday of each month, 7:30 p.m., at the State Bank of Antioch.

ACHS Gets \$5,000 Grant

Antioch Community High School has received a grant of \$5,000 from the Illinois Office of Education to develop a reading program for implementation with the school year 75-76 which begins in August.

The program will be for all students, providing remediation where necessary and improvement where desired.

Millburn Ladies Plan Dinner

A roast beef cafeteria dinner will be served to the public at 12 noon Thursday by the Millburn Ladies Aid of the Millburn Congregational Church.

The event will be held in the church dining room.

FOLKS WHO HAVE NO PENSION PLAN
INDIVIDUAL RETIREMENT ACCOUNT

Let us help you build your own retirement fund . . . Save tax dollars . . . And earn up to 7½% Interest.

- The big tax savings in the IRA plan are available to you if you are not actively participating in a tax-qualified pension plan. And working for a company that has a pension plan does not disqualify you until you are actually included in the company's plan. The IRA plan is open to both full-time and part-time employees, including a spouse working full or part time, students with part time jobs, and self-employed individuals not covered by the Keogh plan.
- Each year you can set aside in a qualified IRA plan up to 15% of your earned income (but not exceeding \$1500 yearly), free of current federal income taxes. You can deposit a lump sum once a year - or deposit smaller amounts periodically if you prefer. What's more, the income earned by the Individual Retirement Account is also exempt from taxes until you actually begin to make withdrawals from the account. And you can still take advantage of the standard income tax deduction when you are in the IRA plan. Keep in mind that the sooner you start, the earlier your savings begin to earn and grow.
- If you take advantage of our qualified plan, your money will be placed in an insured savings account earning as much as 7½% interest compounded daily (annual yield 7.89%). Safety of savings is insured to the full legal limit by the Federal Deposit Insurance Corporation.

One of the irritating things about being a newspaperman is the amount of junk mail you receive.

We imagine other businesses have the same problem.

The amount of postage spent on irrelevant mail sent to the Antioch News easily exceeds \$1,000 a year. Maybe it's as high as \$2,000 or \$3,000.

That's just postage. Add to this the cost of stationery and the time spent by secretaries typing up and preparing all of the junk that is sent to us.

IN THE CASE of a newspaper, most of the junk mail comes in the form of publicity and press releases. About 95 percent of them have nothing at all to do with Antioch. We can't use these stories because our readers could care less.

(We're not talking about local mail. We're always happy to hear from people in the Antioch area. The junk comes from Chicago area firms and others around the state and nation.)

Yesterday we received four envelopes from the Chicago Motor Club. The same story - dull and uninteresting - was inside each envelope. Four copies of the same useless story! What would you call that? Double duplication?

And we're only the Antioch News. Multiply this by all of the newspapers in the country. Imagine the amount of junk mail the Chicago Tribune receives.

WE STILL receive mail addressed to 928 Main St. That would be over there, perhaps next door to Wilton's Electric

Shop. How many years, or decades, has it been since the Antioch News had that address? That's how often some public relations firms update their mailing lists.

When we worked for the Kenosha News we used to receive publicity releases addressed to an editor who had died 10 years earlier.

IN THE PAST we've known newspapermen who simply threw the envelopes into the wastebasket, unopened. But we're always afraid to do this. Gosh, someday a check might be inside one of them! Or, surprise, surprise ... an interesting story!

Most of these press releases are written by well-paid public relations people. Lots of them are writers who couldn't hack it on a good newspaper. But companies pay them salaries to turn out volumes of junk that winds up in editors' wastebaskets.

And then there is the time we must spend opening this mail and reading it to see if it possibly contains something of interest to Antioch. That time could be better spent.

No wonder newspapermen frown on the public relations business.

THE WORST joke we heard this week is about the little boy who was determined to marry his grandmother.

"You can't do that," said his father. "You'd be marrying my mother!"

"Well," said the little boy, "You married mine!"
Hear ye!

It is possible to go wrong in many ways, but right in only one. The former is thus easy and the latter difficult.

BARRY GOLDWATER

Who Is To Blame For Indochina Mess?

By Sen. BARRY GOLDWATER

The present tragedy in Vietnam is what happens when a nation goes to war but orders its men not to win the war.

That might sound ridiculous on the face of it. But it is nonetheless true. In fact, a book I wrote entitled "Why Not Victory?" is dedicated to the question of why any nation which would waste manpower, equipment and money in a war would go into the war in the first place without the determination to win.

IN THE CASE of Vietnam that war became unwinnable when President Kennedy, whose intentions were honorable, sent the first troops into Indochina and then, unfortunately, listened to his secretary of defense, Robert S. McNamara, who knew nothing at all about war. That's when we should have come home. When any nation tries to fight a war without the will to win it, it's crazy to stay in that war.

President Lyndon B. Johnson made the same mistakes. He put the men and equipment capable of winning that war into South Vietnam and then let McNamara talk him out of anything that might look like a victory.

How McNamara managed to transmit his no-win orders still puzzles me.

ONLY LAST week I again inquired at the Pentagon for a set of war rules that apply to the armed forces. The book explains what American forces are allowed to destroy in an enemy theater. It also tells what we are not allowed to attack

until Washington has given its approval. In other words, it is a book of "do's and don'ts" in conducting a battlefield engagement - a strange volume to find in the same building which

houses our machinery of defense and war.

I doubt if there has ever been a war in history that was fought like the Vietnamese war. And it certainly was not the fault of the military. Keep in mind that the military man (the man in uniform) is ordered by the President.

THE LIBERALS who several years ago were urging us to cut and run and surrender in Vietnam are now strangely unwilling to discuss the question of who might be to blame. There is no need now to waste time trying to place the blame, they say. We must get on with the job.

Well, I disagree. This is exactly the time to place the blame and to find out who is responsible for the mess we have created in Indochina.

Rescue Squad Suggests Blood Pressure Checks

Identifying and controlling high blood pressure is one of the best ways to reduce your risk of stroke and heart attack.

This is a message hammered home repeatedly by the Heart Association of Lake County. And it takes on special significance as Antioch and the nation observe High Blood Pressure month in May.

You can do your part in identifying high blood pressure by having your pressure checked. The Heart Association of Lake County in cooperation with the Antioch Rescue Squad will offer a free pressure check in Antioch on Saturday, from 10

a.m. till 2 p.m., at these locations:

Antioch Savings & Loan, First National Bank of Antioch, and the State Bank of Antioch.

The test takes only a few minutes and will be administered by qualified persons.

You should have your pressure checked even if you feel well, because high blood pressure may not have noticeable symptoms.

If you should find you do have high blood pressure, cooperation with your physician is important. As a team, you and your doctor can almost get your pressure under control.

He knows a lot about love

By JOHN SINOR

Harvard University is re-searching love. The National Science Foundation has given a \$121,600 grant for the research. I should have applied.

Ladies and gentlemen, boys and girls, and members of the board, I have been re-searching that tender subject off and on for most of the years of my life.

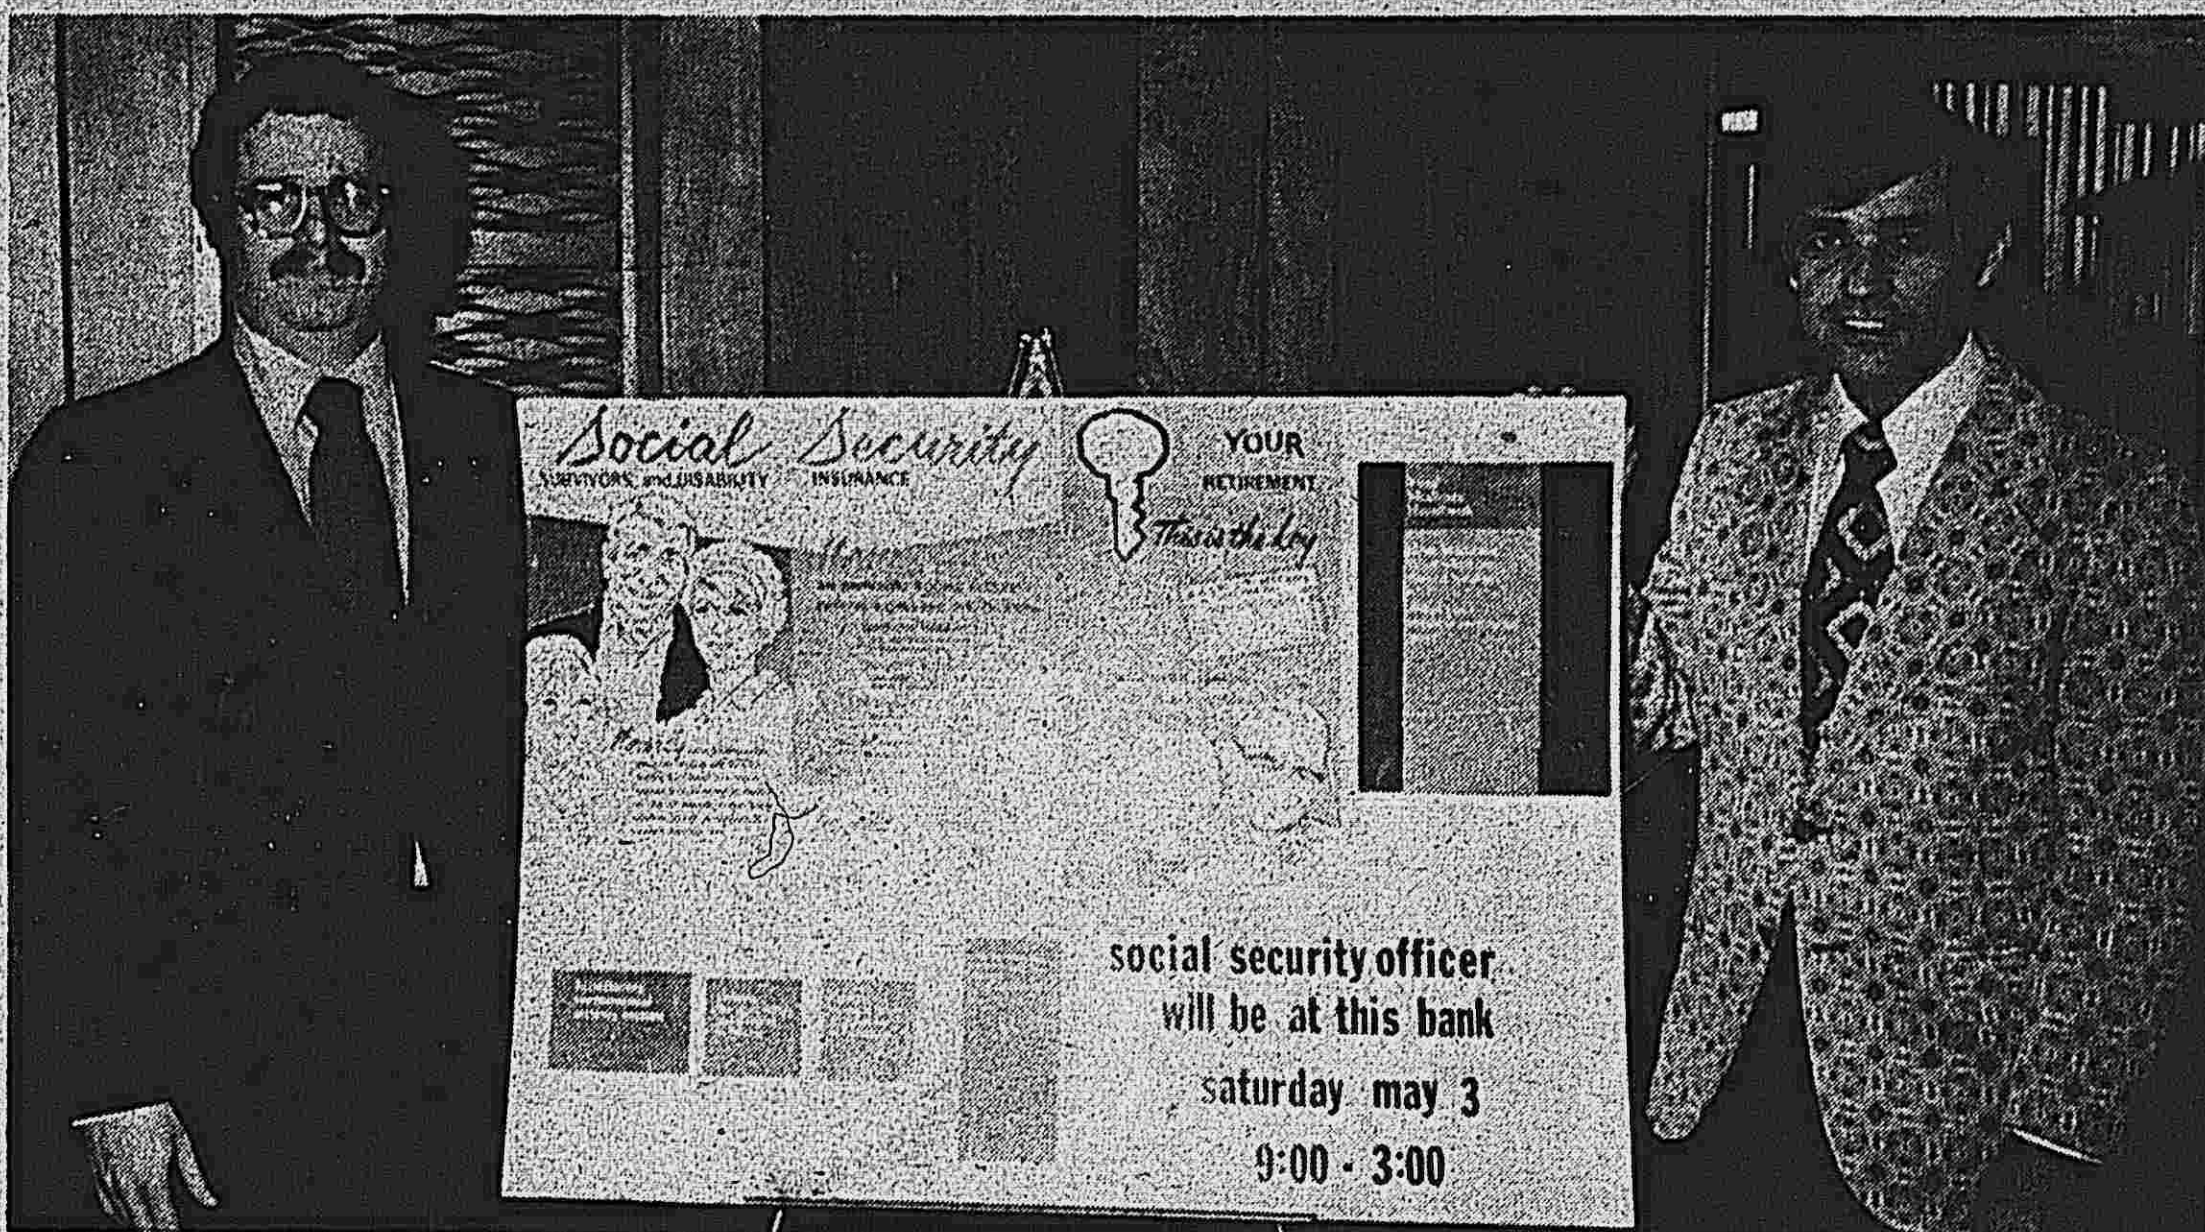

For \$121,600 clams I would have spent even MORE re-search on it. (A check like that would buy a lot of candlelight and chilled wine.)

Anyway, I expect science will mess up the whole subject. Look what they do to laboratory rats. It would be better to leave the study of love in the hands of poets, who have been struggling with the subject for centuries.

In fact, poets have been dying for love for generations. And it is a scientific fact that poets live shorter lives than anybody.

(I gave up poetry when I read this, but I still have a lot of my old research notes.)

SOCIAL SECURITY FIELD REPRESENTATIVE Mr. David Ramis (left) and Pres Reckers, vice president of the State Bank of Antioch, work out details for a day-long session being conducted by Mr. Ramis in the bank lobby on Saturday from 9 a.m. to 3 p.m. on a range of subjects concerning Social Security benefits and the Medicare Health Insurance program. In addition to answering questions and assisting in the completion of Social Security or Medicare forms, Mr. Ramis will have the Medicare Handbook and a variety of pamphlets available

for comprehensive information for young and old alike.

Social Security Advice At State Bank Saturday

For people who are puzzled by Social Security questions, the State Bank of Antioch is bringing in a man who has the answers.

William E. Brook, president of the bank, said that David

Ramis of Waukegan will be in the State Bank Lobby from 9 a.m. to 3 p.m. Saturday.

Mr. Ramis is a field representative with the Waukegan Social Security administration.

Perhaps you have questions

about retirement benefits, disability benefits and Medicare.

How about supplemental security income for the aged, blind and disabled?

These subjects will be discussed with those interested when Mr. Ramis visits the State Bank of Antioch. He will answer questions and help persons complete forms for Social Security or Medicare.

Pamphlets on those subjects also will be available.

Other subjects Mr. Ramis can inform Antioch area residents about are student Social Security checks and Medicare health insurance benefits for people over 65 years of age.

Along the way with ANNIE MAE

Congrats to Dickie Kessler and Leslie Schaeffer who were chosen King and Queen of the Junior Prom last Saturday evening. Hear it was a great evening of dining and dancing at the Holiday Inn in Mundelein. Lots of lovely gowns and hats and Ronnie Jackson looked just super in his white tails complete with gloves, cane and topper.

Hear tell there's an anxious group of people at Lyons-Ryan Ford awaiting the birth of Pat and Sue Ryan's first child. A pool was started to see who could guess the right birth date, however, the expected arrival is keeping everyone up in the air by being several days late. Be

sure to let us know when the stork arrives, you guys!

A ray of sunshine hard at work at the Jewel, Rose Endries, looks great after two weeks in Hawaii. She tells us that's the place everyone should go for a vacation.

Local artist Priscilla (Strahan) Smith is giving a one woman art show at the Channel Lake Art Center on May 2 from 7 to 9 p.m. and May 3 and 4 from 12 to 5.

Rose Borovicka tells us about a nice young lad who offered to pay the difference on her groceries when she discovered

she didn't have enough money with her to get out of the Jewel Monday morning. The lady was really touched by the kindness of this young man whom she had never seen before. The moral of the story is that there are lots of swell kids around who will do anything they can to help others.

DICK AND ELLEN Kessler along with Bernie and Shirley Gutowski celebrated the Kessler's anniversary at the Holiday Inn in Mundelein last Saturday evening, a lovely evening I hear and they were also on hand to see their son crowned King of the Prom.

Don Amundsen was the guest of honor at a birthday party last Friday evening celebrating the trip "over the hill." Lots of silliness and a great reading by Phil Laurin made for a fun evening.

Also celebrating her birthday,

Margaret ReCupido was feted at the Millionaire's Club at a gathering for the family given by her husband, Frank, on Apr. 26. Hear tell Frank will be celebrating his natal day on May 3 at the Cotillion.

There might be a little celebration over at the World Famous Village Pub Saturday when Mark Reeves celebrates his birthday. Mark is one of those several nice people who work for owner Bill Georgeson.

Congrats to Ron Seriva who was the winner of a stereo tape deck given away by the Jaycees at their fish fry last Friday

evening.

The Lake County Homemakers met at the Holiday Inn in Gurnee last Friday for their annual meeting and luncheon. Congrats to Rose Hammond who won the door prize of a Charmglo electric grill and to Bea Fuldin who won the sewing basket donated by the Singer Company for the most original old time outfit. The ladies were treated to a fashion show on bicentennial women in history by Mr. Phyllis McMillen.

Best wishes to Forrest and Nancy Stahmer in their new home. First Street's loss is Hillside's gain. Glad you two didn't move far away!

Birthday greetings this week to Marcia Kessler on the 30th, to Please turn to page 8.

Lubkemans Celebrate 50th Anniversary

April 24 marked the 50th wedding anniversary of Mr. and Mrs. August Lubkeman of Antioch. They celebrated at home that day, but had also celebrated the previous Saturday.

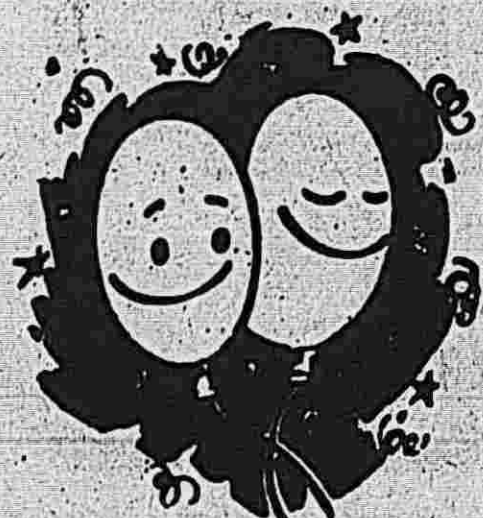

A party was given in their honor by their four children at Paty's Lounge with all of the children, grandchildren and other family members there to help them mark this great occasion.

Mr. and Mrs. Lubkeman came to America in 1928 and have been residents of Antioch for the last 45 years. They have

been active in business and church affairs.

Take stock in America.

THE ANTIOCH NEWS HOPES YOU HAVE A HAPPY DAY.

JOHN TERESI Chevrolet-Oldsmobile BRINGS YOU

MAY 5-11, 1975

It's fickle May, on summer's brink.

Dig dandelion greens now... Mother's Day is May 11 (and it snowed this day in 1945)... New Moon May 11... Buds unfolding now, and humming birds await them... Average length of days for the week, 14 hours, 21 minutes... This week in 1934, those awful dust storms in Okla., Kan., Colo., and Texas... American Medical Association originated May 5, 1847... Forest fire danger now... Never slay your enemy until you come to him.

Ask the Old Farmer: I hear that you can tell that rain is coming by the way smoke comes out of a chimney. Is this true? R. A., Jamestown, N.Y.

Rising smoke that goes straight up or almost straight up depending on wind conditions, foretells

fair weather. Lowering pressure, preceding a rain, drives smoke downward.

Home Hint: Save the empty squeeze-type mustard containers and fill them with icing to decorate cakes and pastry. They do a neat job.

OLD FARMER'S WEATHER FORECASTS

New England: Rain to start, then bright and sunny; cool with intermittent rain latter part.

Greater New York-New Jersey: Light rain and cool at first, then clear and warm; end of week rainy and cool.

Middle Atlantic Coastal: Week begins rainy, then sunny and cold; end of week warmer with light rain.

Southeast Coastal-Piedmont: First part of week sunny with occasional showers; end of week warm with light rain.

Florida: Generally clear and hot all week; very hot weekend.

Upstate & Western New York-Toronto & Montreal: Rain at first, then sunny and cold; hard rain and much colder latter part.

Greater Ohio Valley: Rain to start, then cool and partly cloudy; moderately heavy rain at week's end.

Deep South: Most of week sunny in west; showers, sometimes heavy, in north and some showers in central.

Chicago & Southern Great Lakes: Week begins rainy, then some clearing; more rain and cold latter part.

Northern Great Plains-Great Lakes: Rain to start, then clear and cold; heavy rain or snow latter part.

Central Great Plains: Early week cloudy and cool; heavy snow latter part except moderate rain in east.

Texas-Oklahoma: Fairly heavy rain most of week in central and east; turning very cold by weekend.

Rocky Mountain Region: Cold snap at first, then rain and snow in central and north; clearing by weekend.

Southwest Desert: Clear to start, then some rain; end of week clear and cold.

Pacific Northwest: Early week cold snap, may freeze; end of week warmer with rain by weekend.

California: Week begins overcast, then partial clearing; cold snap latter part.

Where Our Customers Send Their Friends

-Service is Best And Cars Cost Less

ABC's of Travel

By BARB CORBIN

You've heard of Eurailpass, the ticket offering unlimited first-class train travel in Austria, Belgium, Denmark, France, Germany, Holland, Italy, Luxembourg, Norway, Portugal, Spain, Switzerland and Sweden, but have you considered its potential in these cost-conscious times?

It's an economical buy and allows those who thought they couldn't afford it to consider a European vacation now. In addition to unlimited train travel, the passes entitle the bearer to free use of some buses, boats and ferry services in member countries. Figures show that more than 130,000 Eurailpasses and Student-Railpasses were sold in North America last year so this is nothing new.

1975 passes will cost \$160 for 21 days of rail travel, \$200 for one month, \$270 for two months, and \$330 for three months. The two month Student-Railpass providing second-class unlimited train travel to bona fide students under the age of 26 will cost \$180.

A new Eurailpass introduced this year is the 15-day version, priced at \$130 and designed to suit the trend for shorter vacations. Another recent innovation geared to air traffic patterns is the seven-day Eurailpass. The price is \$80. Eurailpasses for children ages four to 12 are half-price. Children under four travel free.

This is one bargain which remains a bargain, for you don't have to worry about fluctuating money situations; these documents are purchased prior to leaving the U.S. You get exactly what you paid for.

Eurailpasses cost less than car rentals and offer the same element of freedom. The other main feature and bargain in rail travel is sleeping accommodations; on board couchette space is priced at \$6 only. Something of which we are not all aware is cafeteria eating on European trains, which is not only quick but very inexpensive.

For those of you who are only interested in Great Britain, they have what is called the Britrail which has the same features as the Eurailpass. One fact I must tell you; all the various rail passes must be purchased in the U.S. before departure. The reason I stress this is that once you are over there all transportation is point to point, which makes the price out of reach. This type of rail pass is not for sale abroad. This is our feature for visiting their area. For more information, reservations, etc., call your local travel agent.

OAKWOOD KNOLLS NEWS

Beach Park Ready; Hayride Is Planned

By JUDY PHILLIPS

The Oakwood Knolls Property Owners Association met last Wednesday. Joe Pittman, beach chairman, reported the playground equipment, which was in storage for the winter, is back on the beach park area for the enjoyment of the Oakwood Knolls children. The revised by-laws were adopted.

Special projects chairwoman Terry Bryn announced plans for an evening of fun on Saturday, May 10, for the Oakwood Knolls teenagers, 13-year-olds through high school seniors.

The evening will begin at 5:30 p.m. with a hayride at the Wagon Wheel Riding Stable in Lake Villa followed by a wiener roast and dancing.

All teenagers attending the hayride are to meet at 5 p.m. at the Oakwood Drive entrance gate.

The hayride must be limited to 30 people, so call Mrs. Bryn after 6 p.m. at 395-8811 for reservations. The cost is 40c per person.

Drivers who have trucks, vans or station wagons are needed to drive the teenagers to and from the hayride. All volunteer drivers please call Mrs. Bryn. The raindate for the hayride is May 17.

MARY DILLOO, membership chairwoman, reported the annual Association membership drive begins tomorrow. All Oakwood Knolls residents should send their \$10 association membership dues to

Oakwood Knolls Property Owners Association, P.O. Box 159, Antioch, IL 60002.

Refreshments for the meeting were provided by Ramona Pyzyna and Estelle Gatch.

It was incorrectly stated in last week's article that the bridal shower for Donna Hanson held April 13 at St. Peter's Social Center was given by her mother. The article should have read that the bridal shower was given by Donna's aunts, Mary Huebner and Pat Stellato, and Donna's future sisters-in-law, Jackie Shanks and Chris Schwanbeck. Athansa Jandula and Dawn Burbridge served the refreshments. Jean Kmiecik of Oakwood Knolls also attended the shower.

WHOEVER inadvertently

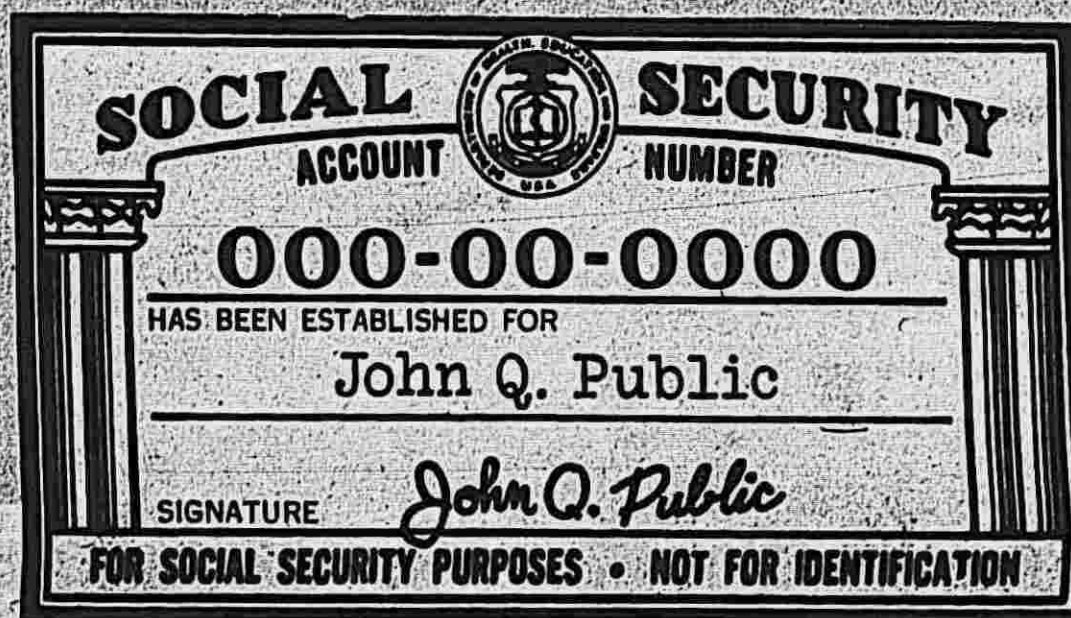

picked up the wrong topcoat at the Oakwood Knolls Spring Dance, please call Don Hanson at 395-1091.

Happy anniversary to Ken and Athansa Jandula who celebrate on May 6.

Belated happy birthday wishes to Al Ahrens who celebrated Apr. 27 at a dinner party in his honor. Among the 25 guests who helped Al celebrate at the party, given by Al's wife, Florence, were Al's mother, Olga, from Evanston and Al's brother, Fred, and his wife from Des Plaines.

Get well wishes to Frank Warren who is in Grant Hospital in Chicago undergoing tests.

'Yellow Bird' Celebrates 3rd Anniversary

It seems like only a short time ago that Vi and Al Johantgen left Chicago and opened up their fabulous Polka Place on Rt. 173 and Lotus Ave., Channel Lake, in Antioch.

Yes, time flies and Vi and Al will be celebrating three years in business Friday, Saturday and Sunday.

They are inviting all local lounge owners and customers and friends from all over.

The resort and lounge owners on the famous and popular strip, "173 from 45 to Richmond," are extending their best wishes to Vi and Al Johantgen and may they continue operating many years.

"We are proud to say that a lot has been accomplished in three years and more alterations to be done," Vi said.

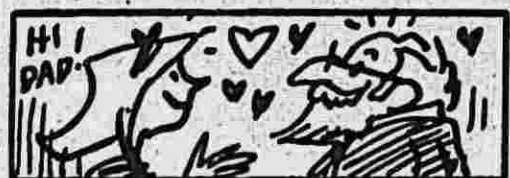

We asked Vi the secret to their success and all she had to say was "thanks to all the business people and lounge

owners and all the people living here, near and far, which we consider all our dear friends who made it possible."

Vi said that her only regret is that she should have listened to her cousin, Pat, and Jackie, proprietors of the Brave Bull, nine years sooner.

"Broken-hearted," she said, "I finally sold Vi's Hideout in Chicago after operating it for 25 years, and came to Antioch."

Vi's friends from Chicago still flock to Antioch to visit her 3-year-old Yellow Bird spot on Rt. 173.

Nothing is dearer to an old father than a daughter. Sons have spirits of higher pitch, but they are not given to fondness.

VI POSES alongside a picture taken when she was Chicago's official "Polka Bunny." She came to Antioch three years ago and is celebrating that move with special entertainment this weekend, Friday through Sunday.

A sheikh by any other names ...

DACCA, Bangladesh — Bangladesh newspapers have been instructed to print the full name and title of Sheikh Mujibur Rahman each time it appears in a report.

One editor reportedly lost his job for neglecting in one instance to print the word Bangabandhu (Friend of Bengal) in the president's title: "Father of the Nation Bangabandhu President Sheikh Mujibur Rahman."

Fat hens lay few eggs.

love

Continued from page 5.

As any poet who has researched the matter knows, love was invented in 1152 B.C. At least that is the earliest written mention of the subject. (I've misplaced the actual writing, but take my word for it.)

Since then, poets have discovered a tremendous amount about love. To wit: Love is blind. Love is just around the corner. Love is a many splendored thing. Love is as perennial as the grasses of spring.

A lovesick boy is one whose pretty girl is like a malady. Love is the only game which two can play and both can win (or lose).

Love is a community consisting of a master, a mistress and two slaves with a total population of two.

Well, the list just goes on and on, and all of it has been compiled by the poets of the world. And I suggest that if science intends to use any of this background in its study, the price paid for poetry ought to go up some.

I can't live on love, you know.

Wolfe & Sons Scrap Iron Metal Co., Inc.

Wolfe & Sons Scrap Iron Metal Co., Inc. located at 1409 Rockland Road, phone 362-3775 in Roundout.

Many do not realize the value of an auto wrecking concern to the community. They will pay the highest price for your old worn out auto, or one that has been in a wreck. Let them take it to their place of business where bolts and rivets are cut; good parts such as fenders, engines in running order, etc.,

are segregated and the rest placed on a scrap heap to be sold for junk. They are also buyers of all industrial scrap iron and metal.

Many dollars may be saved in parts if purchased at Wolf & Sons Auto Wreckers. All their employees are familiar with automobiles and trucks, and are courteous and accommodating. In compiling this review we wish to take this opportunity to recommend this firm.

Initiation rite believed fatal

DE KALB, Ill. — A fraternity initiation that involved drinking a half-gallon mixture of gin, tequila and wine in an hour's time is believed to have caused the death of 23-year-old Richard Gowins, a Northern Illinois University student.

A spokesman from a drug rescue group reported that drinking 30 ounces of 90-proof alcohol could be fatal and Gowins reportedly drank 64 ounces of 60-to-80 proof alcohol — twice the minimum fatal dosage.

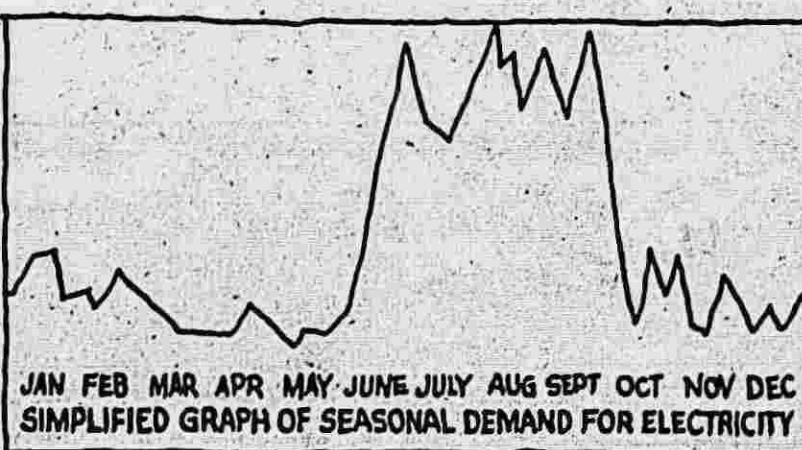

Do you know what EER is?

EER really stands for Energy Efficiency Ratio. And if you're buying an air conditioner this summer, you should know about it.

You may not realize this, but some air conditioners use a lot more electricity than others to cool the same amount of space. And in the summer when the heat gets unbearable and millions of people turn on their air conditioners to find relief, this can amount to a significant waste of electricity.

On a normal summer day, as the graph above shows, Commonwealth Edison may have to deliver three to four million kilowatts more than on an average winter day. To meet this summer demand, extra amounts of fuel must be burned. By making sure you buy the kind of air conditioner that gives the same cooling with less electricity, you can save money and save us all critically needed fuel. The thing to check is known as the EER, an engineer's term which stands for Energy Efficiency Ratio. And there's information on every air conditioner that lets you figure it out.

You don't have to be an engineer to find the EER. All the information you need to buy an efficient air conditioner can be found on the metal plate attached to the unit.

MODEL NUMBER ACR20B74F			
VOLTS	CYCLE	PHASE	
115	60	1	
COOLING BTU/HR		AMPS	WATTS
6000		7.5	750

To get the EER, simply divide the BTUs by the watts. If you're comparing two 6,000-BTU models for efficiency, it would look like this:

$$\frac{1200}{6000 \text{ BTUs}} = 5 \text{ EER} \quad \frac{750}{6000 \text{ BTUs}} = 8 \text{ EER}$$

Our recommended energy efficiency ratio for an air conditioner is 8 or more, so the one with an EER of 8 is the one you should buy. Low efficiency units have EERs of around 5 or 6. You save money, too.

You've already found that the second example is the more efficient air conditioner. It will probably cost a little more to buy, but because it's more efficient, it would cost less to operate. In the long run, an efficient air conditioner helps keep electricity rates as low as possible. And right now, an efficient air conditioner helps conserve our country's natural resources.

Commonwealth Edison
Working for you.

Warning symptoms can signal stroke

Certain warning signals may precede a stroke, a leading cause of death, which takes the lives of over 200,000 Americans each year.

These symptoms, which should be reported to your physician immediately, include weakness of the hand, arm or leg; feeling of numbness, tingling and burning sensation in fingers or toes; slurring of speech, or visual disorders such as double vision or loss of vision in one eye.

Learn to lob

By ED COLLINS
Copley News Service

One of the great joys in life is to send up a good lob, and then watch some poor fool practically break his neck trying to get it. It's a real treat!

Many tennis players don't know this thrill. Some almost despise the lob, regarding it as a "chicken" way out of a predicament. That's nonsense. The lob is one of the most sophisticated shots in tennis. It separates the Champ from the chump.

Learning the technique for the lob is easy. Simply stated, the lob requires a beveled racquet face, getting underneath the ball, and a lift. Here's how to practice.

Find a partner. For the moment, he will practice ground strokes while you practice the lob.

The grips for the lob are the same for the corresponding ground-strokes. We will practice the forehand first; the applications are the same for

the backhand.

Bend your knees as if you were going to "set" a volleyball. You must get the racquet hand below the level of the ball. With your free hand toss the ball underhanded in front of you. Start

below the ball with the racquet and dribble it up a few times. Take a long stride with your front foot and keep the racquet head up. Now send the ball to your partner.

Follow-through as you hit the bottom of the ball. Lift it high over the net. You should finish your lob like you finish the groundstroke — high. Don't jab at the ball — lift it.

JONES RUNS 10 FLAT

Trackmen Win 2 Dual Meets

Antioch High's trackmen kept their title hopes alive last week with dual meet wins over Warren and Cary Grove.

They ran away from Warren by a score of 102-39 and trounced Cary Grove 104-37.

The sophomore team also stayed unbeaten with one-sided wins over the same opponents.

ON SATURDAY the Antioch varsity participated in the North Chicago Warhawk Invitational meet. No team scores were kept but Antioch fared well among the 11 schools competing.

Mike Jones won the 100-yard dash, tying the school record of 10 seconds flat. He also tied the meet record of 22.7 while winning the 220.

Jones also won the long jump at 20 feet 3 inches and helped Ron Gramer, Dan Sherwood

and Karl Blumenschein finish fourth in the 880-yard relay.

GRAMER SET a school record in the 330 yard low hurdles while finishing third in the meet with a time of 40.4 seconds.

Other Antioch standouts were Matt Pucin, who placed sixth in the big 440 field; Kevin Walpole, who was fifth in the 880 and fourth in the mile; Mike Harland, second in the two-mile; Mike Ware, second in the triple jump, and Jerry Michalek, third in the high jump.

Mike Walsh placed third in the discus and Dale Eastman was sixth in the shot put and discus events.

Antioch's mile relay team of George Pierce, Tim Sheppard, Matt Pucin and Gramer also placed fourth.

Young, Dukas Star at Waukegan

Ray Young and George Dukas stole the show Saturday night at the Waukegan Speedway as the 1975 season finally got underway after three weeks of weather delays.

Late model racing will be featured on both Saturday and Sunday night starting next weekend at Waukegan.

Young, the 1969 and '70 champion at Waukegan recorded a clean-sweep in the money events as he set fast time, won the fast heat and took the 30-lap main event. It was the first appearance for Young, usually a Ford driver, in a Camaro at Waukegan.

Dukas, a local driver from Zion, also was in the spotlight, leading the feature until the midway point when Young slipped by. Dukas settled for second with Bob Dotter third in a close decision over Rich Sundling. Dennis Perzley was fifth and Ed Dunne sixth. The top six finishers earned points in the 3-track Chicagoland Driving Championship (CDC).

Both Young and Dukas smashed the 13-second barrier in the qualification runs with Young's 13.80 clocking lowering the old record set by Bob Way in 1971 by .35 seconds. In fact, four drivers cracked the old record as newly paved turns resulted in record speeds.

Antioch Youngsters Ready to Play Ball!

With the baseball season arriving here, the Antioch Little League and Babe Ruth Leagues are getting ready.

This is the final week of sign-up for boys 13 through 15. There are a few openings, but you must call League President Bernie Gutowski this week at 395-0864.

Tryouts will be held (weather permitting) this coming Sunday at 2 p.m. at the Antioch High School field.

The Minor League schedule is being drawn up also, and the

boys playing on these teams will be notified shortly. Their season will begin about June 2. Mr. Gutowski said there are still a few openings for boys 8 through 12 years of age who wish to play on Minor League teams. Interested players should contact him.

The Little League teams have been completed, and opening day will be Sunday, May 18, at 1 p.m. at the Little League Park on William's St. This will be a doubleheader pitting last year's league winners in the first

game. The second game will feature last year's second place winners in each division.

Lions To Honor ACHS Athletes

The Antioch Lions Club's annual athletic banquet, honoring high school seniors, will be held Wednesday, May 14, at 6:30 p.m. in the school cafeteria.

Senior athletes, both boys and girls, as well as senior band members, cheerleaders, pom pon, color guard and "most valuable varsity athletes" from

all sports will be the guests.

Each guest can bring along one adult at a cost of \$4.

Tickets are available in advance at Antioch High School and also will be sold at the door.

Guest speaker will be Tom Mont, head football coach and director of athletics at DePauw University.

Mont was an outstanding quarterback at Maryland in the

1940s and later played three seasons of professional football with the Washington Redskins as a defensive back and No. 2 quarterback behind the immortal Sammy Baugh.

He later served as backfield coach of the Redskins.

Car production is down in Germany

BONN, West Germany — West German car output rose by 3.4 per cent in February to 215,700 vehicles.

However, this increase over January figures still left output fully 24 per cent below that of February, 1974.

Walsh Receives NCAA Award

PELLA, Iowa - Dan Walsh of Antioch, a member of the 1974 Central College football team which won the National Collegiate Athletic Association's Division III crown, has been presented a championship ring by the Central Club, a national

organization of Central College athletic boosters.

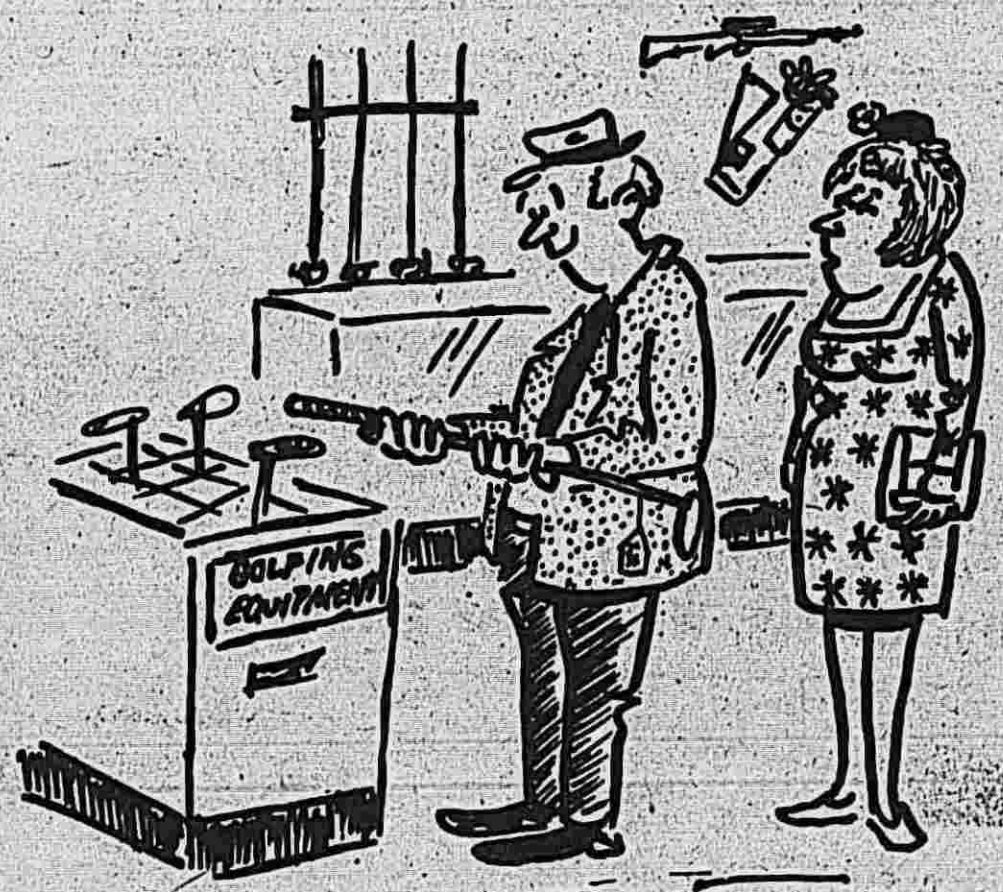

The commemorative rings were financed through special donations and feature the NCAA Championship crest, the year and the player's jersey number.

Walsh is the son of Mr. and Mrs. James Walsh. He is a senior at Central where he is majoring in psychology.

"SHOPPING SPREE" WINNERS SELECTED -- Mayor Robert C. Wilton (center) drew the names of the winners of the Antioch Jaycees' 2nd annual Shopping Spree. Joining him for the exciting moment were (from left) Barry Eisfeldt, manager of the Jewel Food Store; Rick Siebert of the Jaycees; Roman Vos, president of the Jaycees, and Mark Crawford of the Jaycees, who was co-chairman of the event along with Siebert. The first prize winner was Mrs. Chris

Evans, who works at the State Bank of Antioch. Before the Jewel store opens Saturday morning, Chris will have four minutes in which to race around the store and pile up to \$300 worth of groceries into her shopping cart. Second prize winner, E.W. Stringer, gets two minutes and up to \$125 worth of groceries. Con Lasaitis of Zion, third place winner, gets a ham of his choice, and Tim Macczvic of Chicago gets a turkey of his choice as the fourth place prize.

Lake Villa Driver Wins Wilmot Feature

Don Collins of Lake Villa fought his way from the back of the pack of 16 sportsman cars to take the feature race Saturday before an opening night crowd of more than 2,000 fans at Wilmot Speedway who braved 40-degree temperatures and a biting wind.

Collins earlier had served warning on his arch rivals, the Norton brothers racing team, by turning the fastest qualifying lap of the sportsman division - 21.8 seconds in his beautifully prepared Dodge Charger.

In the early stages of the

feature, George Scheffler held the lead in his 1957 Chevrolet while Collins and the two Nortons, Sid and Duke, battled their way through traffic. Fans were treated to some spectacular driving as the trio roared down the straightways three abreast and even passed cars in the turns, making it four abreast and mere inches separating each.

Collins finally got past the Scheffler car, but for the final five laps of the race, the first four cars ran bumper to bumper. As they came down the

final straightaway for the checkered flag, reigning champ Sid Norton made his move and edged out Scheffler for second spot.

In the modified feature, most of the action was in the pack, while Rich Woundra of Campbellsport, Wis., took an early lead and slowly pulled away from the field, finishing a full

half lap ahead of Gene Erdman.

New clay in the turns plus ground moisture made for a soft track in spots. As the evening wore on, the turns became treacherously rutted, resulting in several spinouts and crashes.

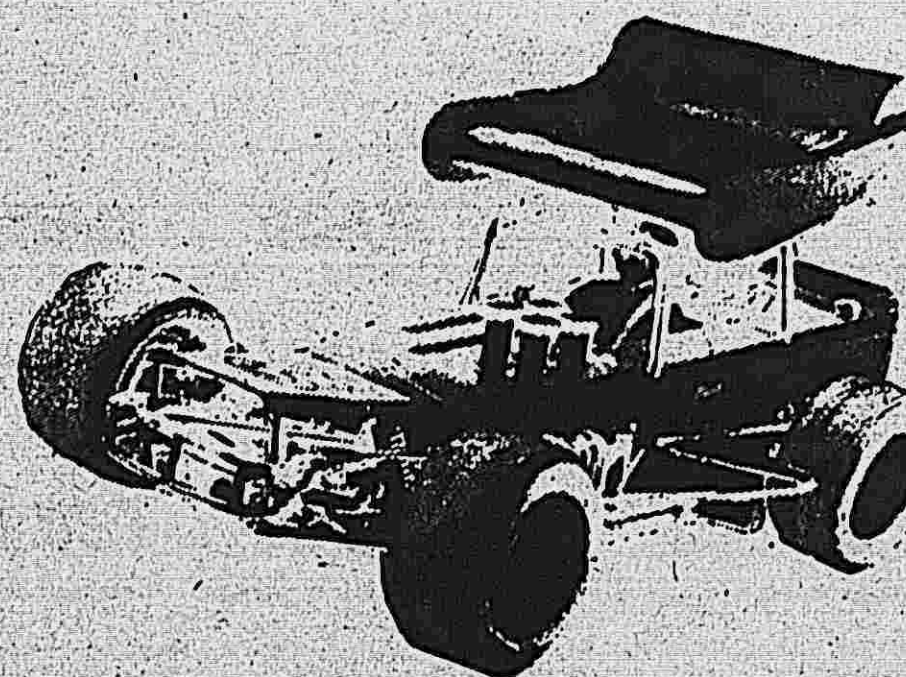

Most spectacular spill of the night occurred when veteran

sprint car driver Dick St. John came into a turn too fast during the second modified heat and slid sideways. The car caught a

tire and did a slow barrel roll, landing on its top.

It was a tough break for St. John, who earlier had turned the fastest qualifying lap of the night in the No. 1 car of reigning modified champ Ron Marish, who is hospitalized with stomach troubles.

The car was towed to the pits, where some fast repairs were made and the gutsy driver was back in time for the feature race, finishing a respectable 10th in a starting field of 16 drivers.

ORDINANCE NO. 75-4-10

AN ORDINANCE AMENDING SECTION 2 OF AN ORDINANCE ENTITLED "AN ORDINANCE ESTABLISHING CHARGES OR RATES FOR THE USE AND SERVICE OF THE COMBINED WATERWORKS AND SEWERAGE SYSTEM OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS"

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, LAKE COUNTY, ILLINOIS, AS FOLLOWS:

SECTION 1: That Section 2 of "An Ordinance Establishing Charges or Rates for the use and Service of the Combined Waterworks and Sewerage System of the Village of Antioch, Lake County, Illinois" be and the same is hereby amended by repealing said Section 1 and substituting therefore the following Section 1 to wit:

Section 1. That there shall be and there are hereby established rates or charges for the use of and for the service supplied by the combined waterworks and sewerage system of the Village of Antioch, Lake County, Illinois, based upon the amount of water consumed, as shown by the water meters; as follows:

WITHIN THE CORPORATE LIMITS

Water Service Charge Per Quarter

For each residential single family, commercial, industrial, municipal or school user of the combined waterworks and sewerage system within the corporate limits, the quarterly charge shall be as follows:

For the first 6,000 gallons per quarter at \$1.00 per thousand gallons. For all over 6,000 gallons per quarter at \$.50 per thousand gallons.

The minimum quarterly charge for the water service for such users shall be \$6.00 per quarter.

SEWER SERVICE CHARGE PER QUARTER

For each residential single family, commercial, industrial, municipal or school user of the sewer service only of the combined waterworks and sewerage system within the corporate limits, the quarterly charge shall be as follows:

For the first 6,000 gallons per quarter at \$2.00 per thousand gallons. For all over 6,000 gallons per quarter at \$.50 per thousand gallons.

The minimum quarterly charge for sewer service for such users shall be \$12.00 per quarter.

In the event that the private water supply of the user using sewer service only is not metered, there shall be a payment of a flat rate of \$17.00 per quarter. The payment of flat rate charges shall cover all reasonable usage, but not including commercial usage or any other usage which the President and Board of Trustees determine to be unreasonable.

MULTIPLE USE ACCOUNTS

A multiple use account is defined as any additional number of residential or commercial units located on the same premises, or being served through a single watermeter such as apartment buildings, trailer courts or commercial and residential units located within the same building.

Each multiple use account shall pay a minimum charge for each residential or commercial unit connected through the single water meter as follows:

Combined waterworks and sewerage service \$15.00 per quarter
Water service only 6.00 per quarter
Sewer service only 9.00 per quarter

The payment of the minimum charge for each unit served through the water meter shall allow the use of 6,000 gallons per quarter for each minimum bill. After determining the total water allowance, calculated by multiplying the number of units billed times 6,000 gallons per quarter any use over the minimum allowance so calculated shall be billed at the rate described above.

OUTSIDE THE CORPORATE LIMITS

Each user of the combined system of the Village located outside the corporate limits shall have 100 percent added to the bill rendered for the type of service as set out above.

SECTION 2: That except as heretofore amended and modified herein, the aforesaid Ordinance is hereby ratified and approved, but all parts of Ordinances inconsistent herewith are hereby repealed.

SECTION 3: This ordinance shall be in full force and effect from and after its passage and publication as provided by law, and the rates for services described herein shall be applicable on all services supplied after May 1, 1975, with the old rates being in effect through April 30, 1975.

Open House For Ex-Coach

Lynn (Rip) Watson, Antioch's first football coach, is coming to town tomorrow at 6 o'clock. An open house is being held at Antioch Community High School in the Commons.

Antioch High School's Superintendent, Warren Polley, brought up the fact that aside from being Antioch's first football team, it was a conference winning team the first year.

Mr. and Mrs. Watson are looking forward to seeing familiar faces from the past and new ones who are interested in football - 1920 style.

Mr. Watson has remained active in football, he is still score-keeper for the St. Louis Cardinals while in their Spring practice in St. Petersburg, Florida.

Everyone seeks approval

By REV. W. LEE
TRUMAN

A common frailty we all have is the need for approval — approval by our peers, loved ones, superiors, and if possible, all others.

It is very normal to want our fellow workers and superiors to consider us attractive, intelligent and capable. Sad as it is, some persons carry the impossible burden of always wanting the unqualified approval of everyone. They are torn by the slightest criticism or sign of being evaluated as not measuring up, or worse, being ignored.

Such poor creatures not only want high approval of their close friends, but also the enthusiastic commendation of everyone with whom they come in contact. They are miserable if they do not receive constant reassurance of being worthwhile and worth knowing. Life basically is, for them, the struggle to avoid all disapproval and criticism, and they are frustrated, bewildered, and betrayed by this impossible goal.

As the climate of approval varies from day to day, there follows a constant alternation between the feelings of elation and depression. For the most part, these people are miserable and unhappy, and hold little hope of the future being any better. Even when they are front and center, and the spot of attention is on them, their minds are obsessed with the feeling that the next moment will bring the signal of being rejected.

This fear of being rejected can be debilitating, a painful obsession for anyone who does not know the basis for his anxiety. The truth is that the abnormal fear of social disapproval is most commonly linked with childhood experiences. The wish for unqualified approval that can only be given to a small child by a mother or a father is carried over into adult life. The need for universal approval reflects insecurity which comes out of the need for love unsatisfied in childhood.

The Antioch Women's Club will hold its closing luncheon on Monday, May 5, at the Cabriolet Restaurant in Libertyville at 12 noon.

The luncheon is for members only and reservations should be made with Janet Brook, 395-1166, or Gerri Olson, 395-1042, before Friday, May 2.

The \$4 luncheon fee can be paid at the restaurant.

A BUSINESS meeting will be conducted after luncheon and will consist of committee reports, election of officers for

the 1975-76 year, and honoring of new members.

The annual theatre outing will be held today. The bus will leave the Antioch parking lot at 11 a.m. for the trip to the Paoella Rustic Barn Theatre in Bloomingdale where members will be treated to luncheon and "Butterflies Are Free."

The Apr. 7 meeting of the club featured entertainment by the Antioch High School Swing Choir, which presented a delightful musical selection.

Janet Brook then introduced Harriet Gallagher who presented a short film on breast cancer and urged everyone

present to become aware of what they can do for themselves in the fight against cancer.

HOSTESSES FOR the Apr. 7 meeting included Mesdames Einar Peterson, Philip Cirone, Edward Abderholden, Carl Anderson, Richard Dyer, Joseph Horton, Arthur Laursen, Martin Ryan, Kenneth Schultz,

William Stanley, Howard Stromberg, Edmund Vos and Theodore Walther.

On Monday, Apr. 14, the club held a card party and dessert luncheon at the Antioch Country Club. Louise Santino and Lillian Ackerman, co-chairmen, provided an enjoyable afternoon for everyone present.

Flee as fast as you will, your fortune will be at your tail.
